

Online Academic Advance Class Bundles for K-12 2022-2023 School Year

Sunshine is providing the online Academic Advance Class Bundles for K-12 students who are looking for a solid school year solution. Below are the highlights for the class bundles:

- Use an enhanced **SUMMA level curriculum**. It is like a **mini private school** / enhanced SUMMA package to support all your students' academic needs for the school year.
- Include all advanced **core academic classes** and corresponding **test preparation**.
- **3+ different levels of math** are provided for each grade to ensure customized personal plans. **It's also flexible to pick up any classes outside your grade bundle to replace the class in your bundle as needed.** If your total weekly class hours exceed the bundle hour, you will get a 10% discount automatically for any extra hour tuition for the term.
- **Class recordings are automatically loaded** to your class page at the end of the day.
- Track students' performance by the **online unit test reports** for the core academic classes.
- Students registered with the bundle will pay a **fixed monthly tuition**. Please see below for the bundle program tuition. **One-month notice** is required to withdraw from the program.
- Below are the class bundles for K-12 and the class schedule are on the following pages.
